

Medicolegal Fee Schedule

General fees are as follows:

- £150 per hour for paperwork and clinical assessments
- £50 non-attendance charge for clinical consultation

As a general rule, report completion and return is two weeks from instruction (depending on the need for clinical assessment and patient availability).

Mr Birchley undertakes all communication via email in order to expedite the process.

The typical total fee for a straightforward case is £600 representing 3 hours of background work and a one hour clinical assessment.

Please contact us at appointments@exetervascular.co.uk if you wish to make an instruction.
